A Perfect Partnership

SPARK greatly appreciates the continued support that is received from the Prince William County School Board. Our success is the result of a great partnership with our School Division and its leadership, and for this we are incredibly thankful. The Foundation looks forward to collaborating with our School Board members for many years to come.

Message from the 2018-19 President

Ms. Dawn Davis of Apple Federal Credit Union

I am grateful for the opportunity to serve as president of the SPARK Board of Directors for the 2018-19 school year. I have been directly involved with Prince William County Public Schools (PWCS) for many years serving as chair of the SPARK Scholarship Committee and member of the Board of Directors. Having also served as co-chair of the Smart Beginnings of Greater Prince William Sustainability Committee and volunteering at the annual Prince William County SeaPerch Underwater Robotics Competition, I believe my experience will allow me to leverage support for students, teachers, and staff to strengthen the foundation of education in this *World-Class School Division*.

Supported by donations from local businesses, SPARK raises funds for Prince William County teachers and schools, as well as School Division departments, staff, and offices, through our "Innovative Grants" program. In 2017, over \$80,000 was awarded to schools and departments to implement programs that would not be possible otherwise. The Foundation continues to support the use of our enhanced web presence in all Division schools, and continues to support students pursuing careers in teaching, Science, Technology, Engineering, and Math (STEM), nursing, and many other private programs through our scholarship program— awarding over \$82,000 to 57 graduating seniors this past school year.

Each year we embark upon initiatives to help make education brighter for our students. We now support more than seven scholarship funds; play a vital role in the Virginia Student Training and Refurbishment (VA STAR) Program; provide clothes and gifts to families in need via our Holiday Helpers initiative; provide support for Robotics teams in all of our schools, and continue to bring awareness to the importance of early childhood education through support of Smart Beginnings Greater Prince William. This year, SPARK incorporated the CTE Advisory Committee to support high school programs for cyber security, welding, automotive, culinary, cabinetry, engineering, HVAC, and other classroom instruction.

The support that SPARK is able to leverage enriches students' lives every day. These children are the basis for our community's future growth and prosperity, and it is only possible to build on that strong foundation with the continued support of our corporate and community partnerships. The quality of our schools is more than simply a desirable community feature. A strong PWCS is vital for the future success of our county, state, and nation. With the experience and determination of the SPARK Board of Directors, we can guarantee that our success will only continue to strengthen PWCS.

We invite you to offer support for the Foundation's initiatives and help provide opportunities for PWCS students to reach their greatest potential. Your involvement will be tremendously rewarding to you and to our community's students.

Sincerely,

Dawn Davis
President

SUPPORT FOR INNOVATION

Activities and Events

Sponsored the 25th Annual “Tee Off for Education” golf classic fundraising event to **support innovative grant distribution** to our departments and schools.

Hosted the 18th Annual Superintendent’s Business Breakfast to provide a “State of the Schools” update, spotlight the School Division’s commitment **to excellence**, school to business/ community partnerships, and innovative grant successes.

Program Support

Continued fundraising for the “Holiday Helpers” giving program to include Volunteer Prince William’s Un-Trim-a-Tree program and the Fraternal Order of Police Battlefield Lodge #43 Santa Cop program to **provide food, gifts, and warm clothing to families-in-need**.

Provided continued extensive **support and financial assistance to the VA STAR** (Virginia Student Training and Refurbishment) program to include the expansion of the program to other School Divisions in the Commonwealth of Virginia.

Continued support by providing more than \$75,000 in funding for the Divisionwide enhanced web presence, raised by leasing and managing commercial advertising space on PWCS school websites. PWCS **provides an online communication platform for teachers, students, and parents so they can share information**.

Continued support for the Science, Technology, Engineering, Arts, and Mathematics (STEAM) initiatives. This includes **providing a robust selection of robotics programs** and career and technical education opportunities to schools.

Support for the Smart Beginnings Coordinator position, working to **improve the quality of care and education** for children from birth until kindergarten and to ensure that children are ready to succeed in school and in life.

Scholarships

In 2018-19 SPARK distributed \$73,000 to graduating high school seniors, totaling 45 awarded scholarships to 23 different colleges and universities.

2018-19 FINANCIAL SUPPORTERS

SPARK SPOTLIGHT

Bookworm Central's mission is simple, "connecting books with readers." Since 2010, they've done just that for Prince William County Public School students, as a partner of SPARK.

Bookworm Central consistently brings innovative ideas and programs to PWCS. These programs, such as R.I.S.E., and the Panda Plunge, ensure that books make it into the hands of our youngest readers. Bookworm is also the provider of many of our school's book fairs and author visits. These types of events help spark a love of reading and learning in our students that will follow them throughout their educational career.

In addition, Bookworm Central is an outstanding sponsor to many of SPARK's other events and initiatives, such as the Superintendent's Breakfast, New Teacher Orientation, and other PWCS events and fundraisers.

Radhika Bajaj, Bookworm Central's founder, is on the SPARK Board of Directors, as well as a member of the Smart Beginnings Greater Prince William.

Donations of time and supplies from Bookworm Central surpassed a total value of \$160,000 in 2019.

Through our partnership, Bookworm continues to provide incredible books to our PWCS students while providing additional giving to our schools and the community.

Generous SPARK Donors

The following list of businesses, civic organizations, and individuals reflects generous support through gifts of time, talent, in-kind, and cash donations that invested in public education during the 2018-19 school year. Without their contributions, the work of SPARK would not have been possible.

Many donors choose to support SPARK through their workplace giving campaigns, such as United Way, America's Charities, or other charitable programs. Several PWCS employees also contribute through payroll deduction. While the names of these individuals are often unknown, their gifts enabled our program to flourish. **For that, we thank you.**

Sharon Henry Partner in Education Award

Bubbles Salon and Ashland Elementary School

Bubbles Salon provides sensory friendly haircuts for children with special needs who may struggle to get a haircut at a salon. The staff at Bubbles Salon and Ashland Elementary School have created an in-classroom salon equipped with salon chairs and a waiting room, providing a safe and calm environment for students. By working with trained educators at Ashland, Bubbles staff has been able to eliminate the trauma students may experience and offer a positive environment to receive a stylish haircut, which has increased their confidence and contributes to their academic success.

Bubbles Salon is a committed partner who continues to provide special needs students the opportunity to get a haircut without the trauma and struggle in a positive atmosphere.

Congratulations and Thank You!
