LETTER FROM THE PRESIDENT

I am honored to be part of the extraordinary work that SPARK, the Education Foundation for Prince William County Public Schools (PWCS), has accomplished for our community and the School Division. As a long-time board member representing Lockheed Martin and SPARK Board President, I am proud to witness the profound impact SPARK has on our students, educators, and schools.

SPARK, which stands for Supporting Partnerships and Resources for Kids, truly embodies its mission by cultivating collaborative relationships with local businesses, nonprofits, and individuals. Through these partnerships, SPARK delivers essential programs and initiatives that significantly enhance the educational experience for our students.

Through the SPARK Grant program, sixteen initiatives were implemented at thirteen schools during the 2023-24 school year that would not be otherwise possible.

The Foundation continues to support students pursuing careers in STEM, teaching, nursing, trades, and many other private programs through our scholarship program, awarding over \$50,000 in scholarships in the spring of 2024.

SPARK has continued to be a driving force behind the Virginia Student Training and Refurbishment Program (VA STAR), empowering students with essential technical skills while simultaneously enriching our community. Through VA STAR, students transform surplus computer equipment into valuable resources, showcasing their talents and making a tangible difference.

Since unveiling SPARK's Six Areas of Focus, the Foundation has steadfastly supported the Prince William County Public Schools Strategic Plan, fostering growth, equity, and innovation for a brighter future.

Discover more about SPARK's initiatives at PoweredBySpark.org and see how you or your organization can get involved. Together, we can continue to build a brighter future for our young learners.

Thank you for your unwavering dedication to SPARK, Prince William County Public Schools, and the success of our students and future leaders.

Sincerely,

A handwritten signature in black ink that reads "Melissa Boyle". The signature is fluid and cursive.

Ms. Melissa Boyle
President, SPARK

Administered 12 SPARK Scholarships & managed additional funds for scholarships offered by community partners and donors that resulted in...

GENEROUS SPARK DONORS

The following list of businesses and civic organizations is made up of our kind and generous donors who support SPARK through gifts of time, talent, in-kind, and cash donations that invested in PWCS schools, students, and programs during the 2023-24 school year.

For a full list of businesses, organizations, and individuals who have chosen to support SPARK during the school year, please visit our website. While some names of individuals who donate choose to do so unnamed, their gifts, too, allow our programs to flourish.

Every dollar matters and we are truly grateful for you all.
